A Brief History of the Seattle Garden Club 1917–2018

The year 2017 marks the 100th anniversary of The Seattle Garden Club. In celebrating this milestone, we've learned a great deal about the generations of remarkable women who have dedicated their time, energy and knowledge to the founding and ongoing success of our club. With each succeeding decade, they've enriched our community in incalculable ways through their shared passion for horticulture, design and the environment.

Year-long preparations for our Centennial began in 2016. Under the helm of Hope Stroble, a committee was convened to research our history and plan special events. A generous donation of \$100,000 was earmarked as an anniversary gift to the city. In an historic vote, the SGC membership elected to award those funds to the Washington Park Arboretum for the building of the new Azalea Way Centennial Garden in our honor.

The Seattle Garden Club has had a long and distinguished association with the Washington Park Arboretum and the University of Washington Botanic Gardens. It was our club which first envisioned an Arboretum for the University and then commissioned the Olmsted Brothers of Boston to design it in 1934. Over subsequent years, the SGC has maintained close and consistent support for UWBG, and today we maintain the SGC Fragrance Garden at its Center for Urban Horticulture. So, it is most fitting that our centennial gift to the

Seattle community establishes a beautiful new garden in the Arboretum. We look forward to its official unveiling at our 2017 Fall Picnic.

The Seattle Garden Club was launched in 1917 by eight visionary women. Despite the tumult of a world at war, these founding members were determined to create an organization that would promote horticulture and preserve nature through education and community works. The first few years of the club were tenuous at best. But by 1923, the SGC had formalized its structure and affiliated itself with the Garden Club of America which had been established only ten years earlier. Although this affiliation obligated us to follow GCA rules, we have been more than compensated by the joys and advantages of associating with 200-plus garden clubs nationwide.

Regional and national meetings, visits from GCA officers, lectures by horticulture experts, and mutual projects with the Portland and Tacoma clubs have all led to a century of lifelong friendships and enriching experiences with like-minded women. We've had the honor of sponsoring two GCA Annual Meetings in 1930 and 1977, along with Zone XII meetings in 1968 and 1994. In 1991, we hosted the national Board of Associates, and in 2016, our club was selected to organize and host the prestigious Shirley Meneice Horticulture Conference with renowned experts speaking to representatives from GCA clubs nationwide.

With each passing generation, the SGC has made significant contributions to the

beautification of Seattle and its surrounding communities. The list of local landmarks credited to the Seattle Garden Club is impressive due to the dedicated efforts and foresight of its members. We have encouraged “pocket parks”, freeway plantings, wilderness preservation and bird sanctuaries. We have donated funds, not only to Lakewold, Island Wood and the Wetherill Preserve, but to the gardens such as the Lighthouse for the Blind, the Home of the Good Shepherd, the Burke Museum, and the Species Rhododendron Garden at Weyerhaeuser’s former headquarters in Federal Way. We have contributed to conservation education through teachers’ summer workshops, field trips and the Student Conservation program in our national parks. We have presented many horticulture experts and floral design speakers, sponsored classes and held competitive exhibits, not only for our own edification but for the public’s education as well. Here are just a few of the many notable and lasting contributions made by the SGC to our community at large:

- In 1921, the SGC planted 1,200 elms along Des Moines Way to memorialize soldiers lost in World War I.

- In 1925, we planted 100 pink dogwoods on the University of Washington campus.

- In 1930, the SGC planted trees along Aurora Avenue as it cuts through Woodland Park after we lost a valiant battle to keep the park from being cut at all.

- In 1932, we planted flowering crabapple trees on the north shore of Green Lake to honor George Washington’s Bicentennial.

- In 1934, we commissioned the Olmsted Brothers to design the Washington Park Arboretum. A year later, we funded the Samish Island Bird Sanctuary.

- The SGC worked to save the south shore of Shilshole Bay. In doing so, we helped create the present park and the linear Burke-Gilman Trail Park from an abandoned railroad right-of-way.

- In 1959, we initiated efforts to beautify the Lake Washington Ship Canal and maintain the Carl English gardens at the Ballard Locks.

- In 1992, the SGC collaborated with the Pacific Science Center to produce a special three-month Beatrix Potter exhibit from England which included a competitive flower show at its opening.

- In 2001, the SGC helped establish a community park at Planned Parenthood and funded the refurbishment of the Entry Shade Garden at CUH, the Healing Garden at Cancer Lifeline, and the rare plant collection at CUH.

- In 2002, we raised funds at our “Raising the Roof” flower show to help rebuild the Center for Urban Horticulture after eco-terrorists had destroyed it. A full 100% of SGC members donated to this urgent cause.

- Our annual Christmas Luncheon has become a popular holiday tradition with magnificent table decorations made by members and an extensive silent auction that funds our Community Projects each year.

- In 2005, two notable SGC families established gifts of \$30,000 each to the club via separate accounts at the Seattle Foundation. The first gift endowed the Pamela Green Speaker

Fund for nationally recognized horticulture speakers. It honors three generations of the Joshua Green family who have served as SGC Presidents. The second gift established the Iris Wagner Conservation Leadership Fund for nationally recognized speakers on important conservation issues.

- In 2006, we raised over \$27,000 at a special fundraiser in Diana Neely's lakeside gardens with magnificent art installations by the renowned glass artist Dale Chihuly. That same year, we pledged \$50,000 to the Seattle Art Museum for the Seattle Vivarium Nurse Log in the SAM Olympic Sculpture Park.

- In 2007, we refurbished the former Entry Garden at UWBG and renamed it the SGC Fragrance Garden. In gratitude, the University of Washington awarded The Seattle Garden Club with Benefactor Status to signify our generous lifetime contributions then totaling over \$100,000.

- In 2009, we hosted the very successful Fergus Garrett Lecture at the Asian Art Museum, followed months later by an Iris Wagner Conservation Symposium entitled "Toward a Healthy Puget Sound. The esteemed William Ruckelshaus served as the moderator for a panel discussion on this important topic.

- The SGC has a long distinguished history of support for the Montlake Cut Waterside Trail. In 1958, we proposed the original Lake Washington Ship Canal Project as a finalist for the GCA Founders Fund, and we've remain involved ever since. The project was first designed by the US Army Corps of Engineers,

landscape architects and the Seattle Garden Club. In 1970, we gave \$4,000 to establish the Montlake Cut portion as a National Recreation Trail. By 2008, the trail had suffered neglect and serious disrepair. Concerned members of the SGC met with the Seattle Parks and US Army Corps of Engineers at the site to initiate a restoration plan. The new East Montlake Park Restoration Project received \$2,500 from Partners for Plants (P4P), and restoration began with the support of SGC volunteers, Seattle Parks, the USACE and local Boy Scout Troop 15. Another \$2,500 in P4P monies was subsequently authorized by GCA for the propagation of native plants to replace invasive ones. The Montlake Cut Waterside Trail remains one of our most successful ongoing projects.

- In 2012, our preservation efforts at the Montlake Cut were recognized nationally with two prestigious accolades. President Barack Obama gave the SGC a Volunteer Service Award for our 254 hours of work at the East Montlake Park. The U.S. Army Corps of Engineers awarded us a Certificate of Appreciation for our “outstanding volunteer service and performance at the Lake Washington Ship Canal.”

- In 2012, the Pam Green Horticulture Lecture presented best-selling English author Andrea Wulf who spoke about our founding fathers as gardeners, plantsmen and farmers. Four years later, this esteemed lecture series featured the acclaimed horticulturist, Allan Armitage, Ph.D.

- In 2013, an Iris Wagner Conservation Lecture was held at the Seattle Aquarium

featuring Peter Seligman and Jean Enersen discussing how “We Are All Connected” in the goal of protecting nature globally. That same year, the SGC provided major funding for the Rainier Beach Urban Farm & Wetlands. We also participated in a nationwide tree project celebrating the GCA’s Centennial. We selected the *Thuja plicata* (Western Red Cedar) and *Amelanchier alnifolia* (Pacific Serviceberry) — both highly valued in Northwest Native American culture.

- In recent years, we have improved and expanded our SGC website and the electronic distribution of our monthly newsletter to facilitate better communication and involvement for our members. To preserve the legacy of older members, we also initiated a project to document many of their gardens. To date, four beautiful books have been published for purchase with photographs and biographies compiled by the SGC Garden History and Design Committee.

- In 2018 another Iris Wagner Conservation Lecture was held at the Seattle Aquarium with Kathleen Biggins of C-Change Conversations presenting an informative talk on the many aspects of climate change. To much acclaim the Seattle Garden Club was in charge of the Concierge Services for the April GCA Annual Meeting in San Francisco. At our own SGA Annual meeting we honored Dan Hinkley who has been made an honorary member of the Garden Club of America.

GCA PROCEDURES FOR VISITING GCA CLUB MEMBERS' GARDENS

One of your great opportunities as a GCA member is to visit the loveliest private gardens in the world. Procedures for arranging garden visits are as follows:

At least four (4) weeks, if possible, before taking a trip, a member should telephone her club's Visiting Gardens chairman for the name, address and phone number of her Visiting Gardens Zone Representative.

The Zone Representative will give the member the name of the Visiting Gardens club chairman in the city that she will be visiting.

The member then contacts the respective club chairman and gives the dates of her visit and kinds of gardens of interest to her. If there will be other people with the member, she should tell the club chairman at this time. There may be up to three non-GCA guests allowed and no more than nine (9) people in the total group. Any larger group is up to the discretion of the club chairman.

The club chairman will set up a garden tour and arrange to contact the member when she arrives in the city. Visitors need to be mindful of expecting to see GCA members' gardens during the holidays, special local events or local garden club fundraisers. The local club(s) may not be able to accommodate guests during these times. Please ask garden owners for permission to photograph their garden.

When planning a visit to Hawaii, please make your request four (4) weeks in advance. Also, Mt. Desert GC has specific rules (ask Zone Rep.).

When planning a visit to a country in which GCA has a Courtesy Club, requests to visit gardens should be made at least four (4) weeks ahead by emailing GCA staff administrator at visitinggardens@gcamerica.org or by contacting the Courtesy

Club directly. The Courtesy Clubs are: Garden Clubs of Montreal, Toronto, Vancouver, Jamaica, Bermuda, Bavaria, Uruguay, and New Zealand. For more detailed information on these clubs, please see the “List of GCA Courtesy Clubs” on the GCA website.

Even though the Garden Club of Charleston is not a GCA club, there is a person to contact. Please email GCA staff administrator at visitinggardens@gcamerica.org for this information.

Remember that the Visiting Gardens Committee does not authorize using any Visiting Gardens privileges for professional purposes, i.e., for professional photography or for articles to be professionally published.

GCA club trips (more than 10 people in a group at one time) are to be a club-to-club communication, starting with the club president, no less than six months prior to the anticipated visit. It is appropriate that the visiting club make a nice donation to either the club being visited or one of its projects in appreciation. This type of trip does not fall under the aegis of the GCA Visiting Gardens committee.
