

Seattle Garden Club Holiday lunch  
December 5, 2019  
Centerpiece guidelines

This year's theme is "Carol of the *Belles*". In honor of our talented floral designer, Carol Henderson, we will be using black vases from her collection.

"Ding, dong, ding, dong, that is their song  
With joyful ring all caroling  
One seems to hear words of good cheer  
From everywhere filling the air"

A table design, include accessories, not to exceed 18 inches in diameter or 12 inches in height, unless you can see through it. Design will be placed in the center of a round table with green under-liner, white cloths and green napkins.

Accessories maybe used within the 18 inch diameter of the base. A base is optional, however they act as a nice separation from the white table clothes and a stage for your design. An 18 inch base can be made of any material: mirror, fabric, wood, metal, place mat or ..... Careful editing of your accessories is recommended.

An entry card will be (select here for SGC Link) provided or you can download one from the GCA website at:  
<https://www.gcamerica.org/members/flower-show#resourceid=3613> after you log in it will take you to the link to click and fill an entry card.

Please be prepared to write in the botanical name and common name of your plant material. Also on the card will be a space for your intent, 25 words or less.

Timeline for day of delivery to be communicated later.
